Rank my techs by revenue this week. Flag anyone under a \$450 average ticket.

Week to date: \$184,300 across 11 techs. Only Ryan S. is under \$450.

#1 Mike R.		\$31.2K	\$612 avg
#2 Carlos D.		\$26.9K	\$548 avg
#3 Jake T.		\$22.1K	\$505 avg
...			
#9 Ryan S.		\$11.8K	\$312 avg

Next step: review Ryan's 7 open estimates by Friday.

WHAT CONTRACTORS USE JENNY AI FOR

Answers in seconds

Revenue, techs, capacity, estimates and memberships.

Ask in plain English

Pulled live from ServiceTitan, with no report to build.

Spots trends for you

Cancellations creeping up, or a tech whose close rate jumped.

Reports on autopilot

Build one once. It goes out daily, weekly or monthly.

Every location at once

Roll up every brand, or send each GM their own.

Remembers your rules

Say "remember this" in chat, for just you or your whole company.

Jenny AI connects to your existing ServiceTitan account.

We'd be glad to show you what she finds in your own data.
